Ozarks Alliance to *End* Homelessness

Crisis Cold Weather Shelter Needs

Created by Studio Har Lettering
www.studiohar.com

Every winter, Crisis Cold Weather Shelters open in our community to provide additional overnight shelter beds. These shelters save lives and would not be possible without the help and support of countless community volunteers and groups who support this initiative by volunteering and donating.

Created by Made & Made
www.madeandmade.com

This winter, shelters are facing a critical volunteer shortage because of COVID-19. To help meet this need, the Ozarks Alliance to End Homelessness is challenging businesses, churches, civic organizations, and other groups to have a conversation about how they can support this critical initiative.

Volunteer Information

Each shelter is always staffed by at least two overnight volunteers, and a Site Coordinator is always a phone call away. To learn more about volunteering:

- Watch the *Welcome to Volunteering* video and complete the Volunteer Interest Form at cpozarks.org/coldweather
- Complete an on-site Volunteer Training at one of our Crisis Cold Weather Shelter Host Sites
- Be ready to serve during your designated volunteer shift

Other Ways to Support

We realize that volunteering overnight might not be the best fit for you, but there are other ways you can help!

- Donate funds to support all Crisis Cold Weather Shelters at cpozarks.org/coldweather
- Donate supplies to Crisis Cold Weather Shelter sites
- Volunteer for an evening or morning shift to welcome guests or transport supplies
