

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program_offices/comm_planning/coc.
- Questions regarding the FY 2021 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile) must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2021 Continuum of Care (CoC) Program Competition. For more information see FY 2021 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2021 CoC Program NOFO and the FY 2021 General Section NOFO.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- New projects may only be submitted as either Reallocated, Bonus Projects, Reallocated + Bonus or DV Bonus. These funding methods are determined in collaboration with local CoC and it is critical that applicants indicate the correct funding method. Project applicants must communicate with their CoC to make sure that the CoC submissions reflect the same funding method.
- Before completing the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- HUD reserves the right to reduce or reject any new project that fails to adhere to (24 CFR part 578 and application requirements set forth in FY 2021 CoC Program Competition NOFO.

2B. Experience of Applicant, Subrecipient(s), and Other Partners

1. Describe your organization’s (and subrecipient(s) if applicable) experience in effectively utilizing federal funds and performing the activities proposed in the application.

Harmony House has extensive experience effectively utilizing federal funds to provide transitional housing and rapid rehousing projects for domestic violence victims. Harmony House receives funding from the federal Victims of Crime Act (VOCA) program and, in the past, has utilized this funding for utility and security deposits and first month's rent for survivors exiting our emergency shelter program.

From 2011 through 2016, Harmony House received funding through the federal Emergency Shelter Grant Program (ESGP); however, with our CoC's shift to prioritizing housing of homeless veterans and families, this funding has dropped from \$45,000 annually to \$4,000. For many years, Harmony House was also the subrecipient of transitional housing funding through Springfield, Missouri's Salvation Army's CoC grant. These funds were used to provide transitional housing and supportive services for DV survivors. This funding was discontinued in 2016 as HUD shifted away from stand-alone transitional housing programs.

Since 2018, Harmony House has been a recipient of HUD CoC funding for our DV Bonus project. This project has been renewed twice and this New Application will be an expansion of the rental assistance provided by that project in addition to the supportive services being requested herein.

Finally, Harmony House has a long history of effectively utilizing other types of federal funding, including FEMA Emergency Food and Shelter Program funding, DSS's TANF program funding, MO DMH CACFP funding, and CDBG funding through the City of Springfield. Harmony House has consistently and successfully passed any required monitoring, audits, and site visits for each of these programs.

2. Describe your organization’s (and subrecipient(s) if applicable) experience in leveraging Federal, State, local and private sector funds.

Harmony House has vast experience leveraging both grant and donor funds to expand or enhance victims' services. In the past five years, Harmony House has leveraged more than \$800,000 to support our emergency shelter and other housing needs. This includes a \$500,000 private gift that was subsequently leveraged to complete a \$6.1 million campaign for construction of our new facility in 2017. This new facility allowed us to increase our capacity, to shelter more domestic violence victims, and to expand supportive services provided onsite at Harmony House. In 2018, Harmony House leveraged a land gift valued at \$250,000 to support a partnership between Harmony House and a

local developer to build the first permanent housing apartment complex designed specifically for domestic violence victims. These apartments, called Talia Apartments, consist of 18 safe, furnished units with supportive services provided directly onsite by an experienced case manager. Finally, in 2020, Harmony House leveraged a \$50,000 grant from the Timken Foundation to support the replacement of the roof on our emergency shelter building. These are just three notable examples of the many ways in which Harmony House regularly leverages funding to support domestic violence victims in innovative ways.

3. Describe your organization’s (and subrecipient(s) if applicable) financial management structure.

Harmony House is a nonprofit organization that is lead by an Executive Director with governance and fiduciary oversight provided by a volunteer Board of Directors. The current Executive Director has more than 25 years of experience in leadership of nonprofit organizations and has been with Harmony House for seven years. The ED and Board of Directors meet on a monthly basis to review financials and provide oversight to the organization. The Executive Committee of the Board also meets monthly with the Executive Director. At each of these meetings, a detailed financial report is prepared and reviewed, including a balance sheet, profit and loss statement, and income and expense report. These reports are also reviewed monthly by the ED and Treasurer of the Board.

Harmony House utilizes two software programs to manage grant activities, client services, and finances. Harmony House utilizes and HMIS-comparable, cloud-based database called Apricot to collect, monitor, and report all client demographic data and service information. Harmony House's Operations Director is responsible for management of this database, oversight of direct service staff who enter information into Apricot, and ensuring that client and service data are being collected and recorded accurately.

Harmony House also utilizes Quickbooks to manage the financial activities of the organization. Harmony House's Finance Director, together with the Accounting Coordinator, is responsible for managing the organization's billing and payables and for producing monthly financial reports for review by the ED and Board. The Operations Director and Finance Director work together to ensure grant compliance and that funds are spent in accordance with each grant award contract. All required grant reporting and billing is completed accurately and in a timely manner.

Finally, Harmony House also undergoes an external, independent audit each year.

Currently, by utilizing HUD funding, Harmony House provides short-term, tenant-based rental assistance to domestic violence victims, including first month's rent and security deposit plus three more months' rental assistance to referrals received directly from the CoC's Coordinated Entry System Prioritization List. If approved, this NEW project application will permit Harmony House to serve more households more effectively with additional Rental Assistance funding and Supportive Services as provided by a full-time case manager.
