Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program_offices/comm_planning/coc.
- Questions regarding the FY 2026 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile)must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2026 Continuum of Care (CoC) Program Competition. For more information see FY 2026 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2026 CoC Program NOFO.
- Detailed instructions can be found on the hud.gov website https://www.hud.gov/program_offices/comm_planning/coc/competition. The Detailed Instructions contain more comprehensive instructions to help navigate e-snaps.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2026 Project Application will be imported into the FY 2026 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- YHDP projects that are eligible for renewal under the CoC program may only use the YHDP Renewal or YHDP Replacement and Reallocation funding opportunities. Please review the NOFO for eligibility standards.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2026 CoC Program Competition NOFO.
- To expedite grant agreement processing, ensure that the UEI does not have an expiration date in the early calendar year (January - May).

Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

The data from previously submitted new and renewal project applications can be imported into a FY 2026 renewal project application. The “Submit without Changes” process is not applicable for first time renewing project applications or for a project application that did not import FY 2025 information and e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

Renewal projects that select “Yes - Individual Application in a Renewal Grant Consolidation” on the Renewal Grant Consolidation or Renewal Grant Expansion Screen may not use the “Submit Without Changes” process and esnaps will automatically be set to “Make Changes”. In addition, esnaps will automatically be set to “Make Changes” if the project applicant indicates on the Renewal Grant Consolidation or Renewal Grant Expansion Screen, this project application is for a “Yes - Stand-Alone Renewal Application in a New Grant Expansion” project application.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:
- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6A. Funding Request
- Screen 6D. Sources of Match
Screen 6E. Summary Budget - All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2024 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Once a project applicant selects a checkbox and clicks "Save", the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions and e-snaps navigation guides found on HUD.gov to find more in depth information about applying under the FY 2026 CoC Competition.

Recipient Performance

1. Did you submit your previous year's Annual Performance Report (APR) on time?	Yes
2. Do you have any unresolved HUD Monitoring or OIG Audit finding(s) concerning any previous grant term related to this renewal project request?	No
3. Do you draw funds quarterly for your current renewal project?	Yes
4. Have any funds remained available for recapture by HUD for the most recently expired grant term related to this renewal project request?	No

Renewal Grant Consolidation or Renewal Grant Expansion

The CoC Competition will continue offering opportunities to expand or consolidate CoC projects.

1. Expansions and Consolidations will no longer be required to submit a combined version of the application.
   a. Expansions will be required to ONLY submit a Stand-Alone Renewal and a Stand-Alone New application.
   b. Consolidations will be required to ONLY submit a Survivor grant and a terminating grant. Up to 10 grants may be involved in a consolidation (Survivor + 9 Terminating grants)

2. Since no combined version will be submitted for either the Expansion or Consolidation, the combining of data will occur at Post-Award. HUD HQ will combine all units, beds and budgets prior to the Post-Award process. The field office and applicant will then be required to combine remaining project data at C1.9a (recipient step). HUD HQ will provide a data report with the data all combined. All that will be required for applicants to do is a simple copy and paste.

3. Rural Set Aside projects may only consolidate with other Rural Set Aside projects.

We hope this process will simplify and reduce any confusion when submitting expansions or consolidations. If you have any questions, please contact the AAQ.

1. Is this renewal project application requesting to consolidate or expand? No

If "No" click on "Next" or "Save & Next" below to move to the next screen.

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

The Institute for Community Alliances (ICA) has served as the HMIS Lead Agency for the Springfield/Greene, Christian, and Webster Counties Continuum of Care (CoC) since 2014, administering the HMIS Project in support of the CoC's mission to prevent and end homelessness. The project ensures compliance with HUD and federal partner HMIS requirements while strengthening the CoC's ability to use high-quality data for planning, performance evaluation, and system-wide decision-making. Core activities include HMIS administration and oversight, user training and technical assistance, data quality management, and reporting and analysis at the project, agency, and CoC levels. Currently, 13 partner agencies participate in HMIS, with 78 end users entering data for 42 distinct projects.

The CoC's designated HMIS platform supports proactive monitoring of participant progress toward treatment, housing stability, and recovery goals while providing agencies with timely information to improve service delivery. In response to evolving HUD requirements for CoC-funded projects, ICA will collaborate with the CoC to establish performance goals. These goals will be translated into project-level performance reports that strengthen accountability and promote continuous quality improvement. Reports will include measures such as service types, service units and duration, and successful completion rates.

ICA plays a critical role in evaluating system and program performance by analyzing HMIS data and providing actionable insights to partner agencies, CoC leadership, and regional stakeholders. These analyses support evidence-based planning, identify trends and service gaps, monitor project outcomes, and inform strategic decisions that strengthen the homeless response system.

Technical Assistance Assessments (TAAs) are conducted with every HMIS-participating agency to ensure compliance with HMIS policies and federal requirements, improve data quality, and provide individualized training and technical assistance. These assessments help agencies strengthen data collection practices, improve data entry accuracy, address reporting challenges, and maximize effective use of HMIS.

The project fulfills all required HUD reporting responsibilities, including the System Performance Measures (SPM), Longitudinal System Analysis (LSA), Housing Inventory Count (HIC), and annual sheltered Point-in-Time (PIT) Count. ICA conducts quarterly data quality reviews, assists agencies with data corrections, prepares CoC-wide analyses, and prepares HDX2 submissions for the CoC. In addition, ICA develops interactive dashboards that help the CoC interpret federal reporting data, monitor performance trends, and evaluate system-wide outcomes.

Continuous quality improvement is embedded throughout the project. Feedback gathered through the MOHMIS Newsletter, user surveys, Technical Assistance Assessments, and CoC committees is incorporated into annual project planning to refine HMIS operations, address emerging needs, and ensure continued alignment with the CoC's strategic priorities.

4A. HMIS Standards

1.Is the HMIS currently programmed to collect all Universal Data Elements (UDEs) as set forth in the FY 2026 HMIS Data Standard Notice?	Yes
2. Does HMIS produce all HUD-required reports and provide data needed for HUD reporting? (i.e., Annual Performance Report (APR)/CoC reporting, Consolidated Annual Performance and Evaluation Report (CAPER)/ESG reporting, Longitudinal System Analysis (LSA)/Annual Homeless Assessment Report (AHAR), System Performance Measures (SPM), and Data Quality Table, etc.).	Yes
3. Is your HMIS capable of generating all reports required by all Federal partners including HUD, VA, and HHS?	Yes
4. Does HMIS provide the CoC with an unduplicated count of program participants receiving services in the CoC?	Yes

5. Describe your organizations process and stakeholder involvement for updating your HMIS Governance Charters and HMIS Policies and Procedures.

The HMIS Governance Charter establishes the CoC HMIS Committee, which works collaboratively with the CoC Executive Board, the Collaborative Applicant, and the HMIS Lead Agency to develop, review, and implement the policies and procedures that govern HMIS operations throughout the Continuum of Care. All approved policies and procedures are documented and maintained in the CoC's HMIS Policies and Procedures Manual.

The HMIS Policies and Procedures Manual undergoes a comprehensive annual review by the HMIS Committee to ensure continued compliance with HUD regulations, federal partner HMIS requirements, and evolving best practices. As the HMIS Lead Agency, ICA plays an active role in this process by monitoring federal guidance, identifying regulatory changes, recommending policy revisions, and providing technical expertise to support informed decision-making.

Proposed updates are reviewed and discussed by the HMIS Committee, which includes representatives from participating agencies and other key stakeholders. Following committee approval, recommended revisions are presented to the CoC Board for final review and adoption. This collaborative governance process ensures that HMIS policies remain current, transparent, and responsive to the operational needs of the CoC while incorporating stakeholder input at each stage of the review and approval process.

6. Who is responsible for insuring the HMIS implementation meets all privacy and security standards as required by HUD and other federal partners?

The Continuum of Care (CoC) is ultimately responsible for ensuring that its HMIS implementation complies with all HUD and federal partner privacy and security requirements. As the designated HMIS Lead Agency, ICA supports the CoC in fulfilling this responsibility through day-to-day system administration, oversight, and ongoing compliance monitoring.

ICA ensures that the HMIS software adheres to all applicable privacy and security requirements and continuously monitors the system to identify any potential compliance or security concerns. When issues are identified, ICA works directly with the HMIS software vendor to investigate, resolve, and document corrective actions.
In collaboration with the CoC, ICA develops, maintains, and implements HMIS policies and procedures designed to protect the confidentiality, integrity, and security of client information. ICA also requires all HMIS end users to complete annual Privacy and Security Training as a condition of continued system access. Users who do not complete the required training have their HMIS access suspended until the training is successfully completed.

To further ensure compliance, ICA conducts annual monitoring of all HMIS-participating agencies to evaluate adherence to privacy and security standards. When deficiencies are identified, ICA provides targeted technical assistance, develops corrective action plans as needed, and monitors implementation to ensure issues are fully resolved and compliance is maintained.

7. Do you update your Privacy Notice annually and provide a copy to all HMIS users? Yes

8. What is the CoC's policy and procedures for managing a breach of Personally Identifiable Information (PII) in HMIS?

The CoC has established formal policies and procedures for responding to any known or suspected breach of Personally Identifiable Information (PII) or HMIS system security. All HMIS participating agencies are required to notify the Institute for Community Alliances (ICA) Missouri HMIS Helpdesk by phone or email within 24 hours of becoming aware of a known or suspected breach.

Upon notification, ICA immediately investigates the incident to determine the scope, cause, and potential impact of the breach. Depending on the severity of the incident, ICA may immediately suspend HMIS access for the affected user(s) or, if necessary, the entire agency to protect client information while the investigation is conducted.
Agencies that fail to report a breach or are found to have violated HMIS security or confidentiality requirements are placed on probation. During this period, ICA works with the agency to identify the cause of the breach, provides technical assistance and corrective action guidance, and ensures staff understand the HMIS security and confidentiality requirements. If access was suspended, it may be restored once appropriate corrective actions have been implemented.

The probationary period will remain in effect until the HMIS Lead determines the agency has demonstrated compliance with all applicable HMIS agreements and the HMIS Policies and Procedures Manual. Repeated or serious violations of HMIS security or client confidentiality requirements may result in permanent suspension of individual user access or removal of the agency from HMIS. Throughout the process, the CoC is kept informed of significant security incidents, and any recommendation to permanently remove an agency from HMIS is submitted to the CoC Board for review and approval.

6A. Funding Request

VAWA Budget

The Violence Against Women Act (VAWA) has clarified the use of CoC Program funds for VAWA eligible cost categories. These VAWA cost categories can be added to a new project application to create a CoC VAWA Budget Line Item (BLI) in e-snaps and eLOCCS. The new BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:

A. VAWA Emergency Transfer Facilitation. Examples of eligible costs include the costs of assessing, coordinating, approving, denying, and implementing a survivor's emergency transfer(s). Additional details of eligible costs include:
- Moving Costs. Assistance with reasonable moving costs to move survivors for an emergency transfer(s).
- Travel Costs. Assistance with reasonable travel costs for survivors and their families to travel for an emergency transfer(s). This may include travel costs to locations outside of your CoC's geography.
- Security Deposits. Grant funds can be used to pay for security deposits of the safe unit the survivor is transferring to via an emergency transfer(s).
- Utilities. Grant funds can be used to pay for costs of establishing utility assistance in the safe unit the survivor is transferring to.
- Housing Fees. Grant funds can be used to pay fees associated with getting survivors into a safe unit via emergency transfer(s), including but not limited to application fees, broker fees, holding fees, trash fees, pet fees where the person believes they need their pet to be safe, etc.
- Case Management. Grant funds can be used to pay staff time necessary to assess, coordinate, and implement emergency transfer(s).
- Housing Navigation. Grant funds can be used to pay staff time necessary to identify safe units and facilitate moves into housing for survivors through emergency transfer(s).
- Technology to make an available unit safe. Grant funds can be used to pay for technology that the individual believes is needed to make the unit safe, including but not limited to doorbell cameras, security systems, phone, and internet service when necessary to support security systems for the unit, etc.

B. VAWA Confidentiality Requirements.Examples of eligible costs for ensuring compliance with VAWA confidentiality requirements include:
- Monitoring and evaluating compliance.
- Developing and implementing strategies for corrective actions and remedies to ensure compliance.
- Program evaluation of confidentiality policies, practices, and procedures.
- Training on compliance with VAWA confidentiality requirements.
- Reporting to CoC Collaborative Applicant, HUD, and other interested parties on compliance with VAWA confidentiality requirements.
- Costs for establishing methodology to protect survivor information.
- Staff time associated with maintaining adherence to VAWA confidentiality requirements.

Enter the combined estimated amount(s) you are requesting for this project's Emergency Transfer Facilitation costs and VAWA Confidentiality Requirements costs for one or both of these eligible CoC VAWA cost categories on the summary budget screen. The CoC VAWA BLI Total amount can be expended for any eligible CoC VAWA cost identified above.

Dear Sir or Madam:

We're responding to your request dated July 07, 2021, about your tax-exempt status.

We issued you a determination letter in April 1991, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(3).

We also show you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax-deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading, we indicated whether you must file an annual information return. If you're required to file a return, you must file one of the following by the 15th day of the 5th month after the end of your annual accounting period.

- Form 990, Return of Organization Exempt From Income Tax
- Form 990-EZ, Short Form Return of Organization Exempt From Income Tax
- Form 990-N, Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required to File Form 990 or Form 990EZ
- Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as Private Foundation

According to IRC Section 6033(j), if you don't file a required annual information return or notice for 3 consecutive years, we'll revoke your tax-exempt status on the due date of the 3rd required return or notice.

You can get IRS forms or publications you need from our website at www.irs.gov/forms-pubs or by calling 800-TAX-FORM (800-829-3676).

If you have questions, call 877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific time).

Thank you for your cooperation.

Sincerely,
