Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program_offices/comm_planning/coc.
- Questions regarding the FY 2026 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile)must be submitted to e-snaps@hud.gov.
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2026 Continuum of Care (CoC) Program Competition. For more information see FY 2026 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2026 CoC Program NOFO.
- Detailed instructions can be found on the hud.gov website https://www.hud.gov/program_offices/comm_planning/coc/competition. The Detailed Instructions contain more comprehensive instructions to help navigate e-snaps.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2026 Project Application will be imported into the FY 2026 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- YHDP projects that are eligible for renewal under the CoC program may only use the YHDP Renewal or YHDP Replacement and Reallocation funding opportunities. Please review the NOFO for eligibility standards.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2026 CoC Program Competition NOFO.
- To expedite grant agreement processing, ensure that the UEI does not have an expiration date in the early calendar year (January - May).

Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

The data from previously submitted new and renewal project applications can be imported into a FY 2026 renewal project application. The “Submit without Changes” process is not applicable for first time renewing project applications or for a project application that did not import FY 2025 information and e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

Renewal projects that select “Yes - Individual Application in a Renewal Grant Consolidation” on the Renewal Grant Consolidation or Renewal Grant Expansion Screen may not use the “Submit Without Changes” process and esnaps will automatically be set to “Make Changes”. In addition, esnaps will automatically be set to “Make Changes” if the project applicant indicates on the Renewal Grant Consolidation or Renewal Grant Expansion Screen, this project application is for a “Yes - Stand-Alone Renewal Application in a New Grant Expansion” project application.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:
- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6A. Funding Request
- Screen 6D. Sources of Match
Screen 6E. Summary Budget - All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2024 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Once a project applicant selects a checkbox and clicks "Save", the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions and e-snaps navigation guides found on HUD.gov to find more in depth information about applying under the FY 2026 CoC Competition.

Recipient Performance

1. Did you submit your previous year's Annual Performance Report (APR) on time?	Yes
2. Do you have any unresolved HUD Monitoring or OIG Audit finding(s) concerning any previous grant term related to this renewal project request?	No
3. Do you draw funds quarterly for your current renewal project?	Yes
4. Have any funds remained available for recapture by HUD for the most recently expired grant term related to this renewal project request?	Yes

4a. If HUD recaptured funds provide an explanation.

Of the total award of $250,311.00, of which $ 35,438.00 was unexpended at the end of the project year. Due to the uncertainty surrounding future PSH funding and program planning the grant period, the decision was made to limit new enrollments and prioritize housing stability for existing households. The amount returned represents prudent fiscal management while maintaining quality services and compliance with grant requirements. We continue to work through the challenges of finding affordable and accessible housing for our participants.

Renewal Grant Consolidation or Renewal Grant Expansion

The CoC Competition will continue offering opportunities to expand or consolidate CoC projects.

1. Expansions and Consolidations will no longer be required to submit a combined version of the application.
   a. Expansions will be required to ONLY submit a Stand-Alone Renewal and a Stand-Alone New application.
   b. Consolidations will be required to ONLY submit a Survivor grant and a terminating grant. Up to 10 grants may be involved in a consolidation (Survivor + 9 Terminating grants)

2. Since no combined version will be submitted for either the Expansion or Consolidation, the combining of data will occur at Post-Award. HUD HQ will combine all units, beds and budgets prior to the Post-Award process. The field office and applicant will then be required to combine remaining project data at C1.9a (recipient step). HUD HQ will provide a data report with the data all combined. All that will be required for applicants to do is a simple copy and paste.

3. Rural Set Aside projects may only consolidate with other Rural Set Aside projects.

We hope this process will simplify and reduce any confusion when submitting expansions or consolidations. If you have any questions, please contact the AAQ.

1. Is this renewal project application requesting to consolidate or expand? No

If "No" click on "Next" or "Save & Next" below to move to the next screen.

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

This legacy SPC project exemplifies evidence-based best practices providing housing to persons experiencing unsheltered chronic homelessness and impacted by a serious mental illness, co-occurring substance use disorders, chronic health conditions, and other disabling conditions. Participants are referred to through the CoC CES and prioritized based on vulnerability, length of time homeless, chronicity, and service needs. DMH serves participants who experience significant challenges to obtain/maintain stable housing, including limited income, poor/limited credit history, behavioral health conditions, and limited natural support. The project requires participation in supportive services (SS). Services are individualized and designed to help participants achieve housing stability, improve health outcomes, increase self-sufficiency, and connect with community-based resources. DMH works closely with community partners to coordinate services that support successful placement and retention. Participants pursue employment, education, mainstream benefits, and recovery-oriented services based on their individual goals and readiness. DMH assists participants in increasing income, strengthening independent living skills, and developing connections to community resources - support long-term self-sufficiency. DMH collaborate closely with landlords and property managers to maintain positive relationships, resolve tenancy concerns early, increase access to safe, stable housing opportunities for participants. Requiring SS results in a more efficient use of Medicaid and other public resources while improving long-term outcomes for participants. DMH require participation in SS as a condition of program eligibility. All referrals received through the CES must complete a SS Participation Agreement upon referral and determination of eligibility for SPC. Through this agreement, participants acknowledge their responsibility to obtain, accept, cooperate with, and participate in SS as an ongoing requirement for continued rental assistance through the SPC Program. The agreement is renewed annually as part of the recertification process. DMH has established written policies regarding SS participation requirements in the DMH Housing Manual and the Client Household Obligations document. Consistent with the established procedures, SPC will resume the policies and practices previously utilized by the program. The project’s service participation requirements and how they will be implemented will be as follows: DMH SPC requires individuals and households to be active in SS after being housed on the program. SS participation refers to treatment and services necessary to enable recovery and self-sufficiency. Staying active in SS includes meeting regularly or as agreed upon with their case manager, community support worker, or other representative of the service provider, working actively on goals set forth in your agency service plan. Such other SS as are determined by DMH in enhancing the Participant’s ability to enable and maintain healthy self-sufficient living. DMH requires a signed SS participation agreement to ensure participants are currently engaged in SS with an approved referring agency, after being housed on the program and annually at recertification. Failure to do so will result in a written notice of termination mailed to the participant and landlord with 30 days’ notice of termination of rental assistance.

3C. Dedicated Plus

100% Dedicated or DedicatedPLUS

A "100% Dedicated" project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families.

A "DedicatedPLUS" project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria:

(1) experiencing chronic homelessness as defined in 24 CFR 578.3;
(2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
(3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
(4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
(5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
(6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds were dedicated to individuals and families experiencing chronic homelessness under the grant that is being renewed may either be reallocated as a DedicatedPLUS project or may continue as a renewal dedicating 100 percent of its beds to individuals and families experiencing chronic homelessness. If the project is reallocated as a DedicatedPLUS project, the project must adhere to all fair housing requirements at 24 CFR 578.93.

1. Is this project "100% Dedicated," "DedicatedPLUS," or "N/A"? (Only select "N/A" if this project was originally awarded as a grant that did not have requirements to only serve persons experiencing chronic homelessness and meets the definition of "non-dedicated permanent supportive housing beds" in the NOFO Section III.G.8).	100% Dedicated

6A. Funding Request

VAWA Budget

The Violence Against Women Act (VAWA) has clarified the use of CoC Program funds for VAWA eligible cost categories. These VAWA cost categories can be added to a new project application to create a CoC VAWA Budget Line Item (BLI) in e-snaps and eLOCCS. The new BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:

A. VAWA Emergency Transfer Facilitation. Examples of eligible costs include the costs of assessing, coordinating, approving, denying, and implementing a survivor's emergency transfer(s). Additional details of eligible costs include:
- Moving Costs. Assistance with reasonable moving costs to move survivors for an emergency transfer(s).
- Travel Costs. Assistance with reasonable travel costs for survivors and their families to travel for an emergency transfer(s). This may include travel costs to locations outside of your CoC's geography.
- Security Deposits. Grant funds can be used to pay for security deposits of the safe unit the survivor is transferring to via an emergency transfer(s).
- Utilities. Grant funds can be used to pay for costs of establishing utility assistance in the safe unit the survivor is transferring to.
- Housing Fees. Grant funds can be used to pay fees associated with getting survivors into a safe unit via emergency transfer(s), including but not limited to application fees, broker fees, holding fees, trash fees, pet fees where the person believes they need their pet to be safe, etc.
- Case Management. Grant funds can be used to pay staff time necessary to assess, coordinate, and implement emergency transfer(s).
- Housing Navigation. Grant funds can be used to pay staff time necessary to identify safe units and facilitate moves into housing for survivors through emergency transfer(s).
- Technology to make an available unit safe. Grant funds can be used to pay for technology that the individual believes is needed to make the unit safe, including but not limited to doorbell cameras, security systems, phone, and internet service when necessary to support security systems for the unit, etc.

B. VAWA Confidentiality Requirements.Examples of eligible costs for ensuring compliance with VAWA confidentiality requirements include:
- Monitoring and evaluating compliance.
- Developing and implementing strategies for corrective actions and remedies to ensure compliance.
- Program evaluation of confidentiality policies, practices, and procedures.
- Training on compliance with VAWA confidentiality requirements.
- Reporting to CoC Collaborative Applicant, HUD, and other interested parties on compliance with VAWA confidentiality requirements.
- Costs for establishing methodology to protect survivor information.
- Staff time associated with maintaining adherence to VAWA confidentiality requirements.

Enter the combined estimated amount(s) you are requesting for this project's Emergency Transfer Facilitation costs and VAWA Confidentiality Requirements costs for one or both of these eligible CoC VAWA cost categories on the summary budget screen. The CoC VAWA BLI Total amount can be expended for any eligible CoC VAWA cost identified above.

The following information summarizes the funding request for the total term of the project. Budget amounts from the Leased Units, Rental Assistance, and Match screens have been automatically imported and cannot be edited. However, applicants must confirm and correct, if necessary, the total budget amounts for Leased Structures, Supportive Services, Operating, HMIS, and Admin. Budget amounts must reflect the most accurate project information according to the most recent project grant agreement or project grant agreement amendment, the CoC's final HUD-approved FY 2026 GIW or the project budget as reduced due to CoC reallocation. Please note that, new for FY 2026, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.

HUD CoC NOFA Applicant Profile: Form 2880 Attachment

The Missouri Department of Mental Health (DMH) contracts with a number of sub-recipients locally to assist with implementation of our HUD Continuum of Care Permanent Supportive Housing grants. DMH Housing refers to these sub-recipients as Housing Centers. Housing Centers perform the following tasks:

- **Maintain Participant Files**. The Housing Center must maintain a complete file record of each Participant's enrollment in a Program. Participant files **must** be maintained in a manner that makes the information accessible and legible to DMH Housing and other authorized parties, such as HUD, for purposes of conducting audits and program reviews.
- **Conduct Applicant Intake Meetings**. The Housing Center arranges Program intake meetings to educate Applicants on the policies and procedures of the Program for which they've been approved. Housing Center staff reviews and updates the DMH referral information during the intake meeting and informs DMH Housing of any major changes. If the Applicant's household has children, the Housing Center provides information to assist the Applicant and the Case Manager access information about school enrollment and other educational programs such as Head Start.
- **Verify Program Eligibility**. Housing Center staff are responsible for verifying and documenting in detail certain aspects of Program eligibility for a new Program Participant. These consist of household income and household composition.
- **Recertify Participant Eligibility**. The Housing Center must annually recertify eligibility for all Participants and maintain accurate documentation of eligibility. DMH Housing may require additional re-certifications to be made whenever Participants experience changes in circumstances that substantially affect their overall eligibility for the program.
- **Conduct HQS Inspections**. To ensure that all Participants live in safe and decent housing, the Housing Center must conduct a Housing Quality Standards (HQS) inspection of a Participant's chosen rental unit before the Participant moves in. All units rented by Participants must be re-inspected annually by the Housing Center. DMH Housing staff may do quality control inspections to verify that HQS inspections are being done properly.
- **Review and Approve the Lease**. The Housing Center reviews and approves any lease or occupancy agreement signed between a Landlord and a Participant enrolled in a program. The purpose of the approval is to ensure that program-required lease provisions are included in the lease, and that the lease complies with Missouri landlord-tenant laws. If the lease does not meet these standards, the tenant cannot receive assistance for that unit.
- **Submit Timely and Accurate Monthly Invoices to DMH Housing**. In connection with paying rent subsidies to Landlords in a timely fashion, Housing Centers must submit accurate monthly invoices for rents and related costs to DMH Housing on a schedule set by DMH Housing. Housing Centers must be equipped to submit invoices electronically in a manner that protects Participants' personal information.
- **Provide On-Going Housing Administration**. The Housing Center is responsible for handling local housing administration, including adjusting total tenant payments, making interim HQS inspections, handling damage claims by Landlords, giving 30-day move-out notices to Landlords, etc.
- **Coordinate With Responsible Parties**. The Housing Center coordinates with Case Managers, Landlords, and DMH Housing as needed on issues involving unit habitability, emergency situations, security, tenant compliance and Landlord compliance with Program requirements.
- **Conduct Landlord Outreach**. Housing Centers encourage Landlords of decent, safe, and affordable housing to lease units to Program Participants, and to publicize their available units.
- **HMIS Data Entry**. When HMIS data entry is part of a Housing Center's contract, the Housing Center must have at least one trained staff person designated as a user of the local homeless management information system. Housing Centers are obligated to accurately enter required Participant data in their Continuum of Care's HMIS in an ongoing and timely manner; to arrange staff training for HMIS with the Continuum's HMIS provider when needed; and to respond to DMH requests for HMIS data reports in a timely manner, including HUD Annual Progress Reports.
