

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

Things to Remember:

- Additional training resources can be found on the HUD.gov at [https://www.hud.gov/program\\_offices/comm\\_planning/coc](https://www.hud.gov/program_offices/comm_planning/coc).
- Questions regarding the FY 2024 CoC Program Competition process must be submitted to [CoCNOFO@hud.gov](mailto:CoCNOFO@hud.gov).
- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile) must be submitted to [e-snaps@hud.gov](mailto:e-snaps@hud.gov).
- Project applicants are required to have a Unique Entity Identifier (UEI) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2024 Continuum of Care (CoC) Program Competition. For more information see FY 2024 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2024 CoC Program NOFO.
- Detailed instructions and e-snaps navigation guides can be found on the hud.gov website [https://www.hud.gov/program\\_offices/comm\\_planning/coc/competition](https://www.hud.gov/program_offices/comm_planning/coc/competition). The Detailed Instructions contain more comprehensive instructions and so should be used in tandem with the navigational guides.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2023 Project Application will be imported into the FY 2024 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- YHDP projects that are eligible for renewal under the CoC program may only use the YHDP Renewal or YHDP Replacement and Reallocation funding opportunities. Please review the NOFO for eligibility standards.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2024 CoC Program Competition NOFO.

## Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the “Submit Without Changes” process.

In general, HUD expects a project’s proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

The data from previously submitted new and renewal project applications can be imported into a FY 2024 renewal project application. The “Submit without Changes” process is not applicable for first time renewing project applications or for a project application that did not import FY 2023 information and e-snaps will automatically be set to “Make Changes” and all questions on each screen must be updated.

Renewal projects that select “Yes - Individual Application in a Renewal Grant Consolidation” on the Renewal Grant Consolidation or Renewal Grant Expansion Screen may not use the “Submit Without Changes” process and esnaps will automatically be set to “Make Changes”. In addition, esnaps will automatically be set to “Make Changes” if the project applicant indicates on the Renewal Grant Consolidation or Renewal Grant Expansion Screen, this project application is for a “Yes - Stand-Alone Renewal Application in a New Grant Expansion” project application.

The e-snaps screens that remain “open” for required annual updates and do not affect applicants’ ability to select “Submit without Changes” are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6A. Funding Request
- Screen 6D. Sources of Match
- Screen 6E. Summary Budget - All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in “Read-Only” format and should be reviewed for accuracy; including any updates that were made to the 2023 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select “Submit Without Changes” in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: “Submission Without Changes” Screen, select “Make Changes”, and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click “Save” and those screens will be available for edit. Once a project applicant selects a checkbox and clicks “Save”, the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions and e-snaps navigation guides found on HUD.gov to find more in depth information about applying under the FY 2024 CoC Competition.

## Recipient Performance

1. Did you submit your previous year's Annual Performance Report (APR) on time? No

1a. If you did not submit your APR on time to the SAGE website, provide an explanation.

Our vender (WellSky) informed us that they were having issues getting the new APR available for agencies in the system. My brain automatically equated that with a "pause on the ability to submit any APRs" erroneously. I received a reminder email that ICA was late on this submission and immediately completed it and submitted it that day.

2. Do you have any unresolved HUD Monitoring or OIG Audit finding(s) concerning any previous grant term related to this renewal project request? No

3. Do you draw funds quarterly for your current renewal project? Yes

4. Have any funds remained available for recapture by HUD for the most recently expired grant term related to this renewal project request? No

## Renewal Grant Consolidation or Renewal Grant Expansion

The CoC Competition will continue offering opportunities to expand or consolidate CoC projects.

1. Expansions and Consolidations will no longer be required to submit a combined version of the application.

a. Expansions will be required to ONLY submit a Stand-Alone Renewal and a Stand-Alone New application.

b. Consolidations will be required to ONLY submit a Survivor grant and a terminating grant. Up to 10 grants may be involved in a consolidation (Survivor + 9 Terminating grants)

2. Since no combined version will be submitted for either the Expansion or Consolidation, the combining of data will occur at Post-Award. HUD HQ will combine all units, beds and budgets prior to the Post-Award process. The field office and applicant will then be required to combine remaining project data at C1.9a (recipient step). HUD HQ will provide a data report with the data all combined. All that will be required for applicants to do is a simple copy and paste.

We hope this process will simplify and reduce any confusion when submitting expansions or consolidations. If you have any questions, please contact the AAQ.

**1. Is this renewal project application requesting to consolidate or expand? No**

If "No" click on "Next" or "Save & Next" below to move to the next screen.

## 2A. Project Subrecipients

This screen is currently read only and only includes data from the previous grant. To make changes to this information, navigate to the Submission without Changes screen, select "Make Changes" in response to Question 2, and then check the box next each screen that requires a change to match the current grant agreement, as amended, or to account for a reallocation of funds.

## 3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

The Institute for Community Alliances (ICA) has acted as the HMIS Lead Agency for the Springfield/Greene, Christian, and Webster (Springfield) Counties Continuum of Care (CoC) since 2014. As the HMIS Lead, ICA is responsible for ensuring that the CoC’s HMIS complies with all regulatory requirements set forth by HUD and federal partner regulations.

The HMIS Project offers technical assistance and training for end users, as well as data reporting and analysis at the agency, regional, and CoC levels. Currently, the CoC has 12 agencies enrolled in HMIS, with an average of 70 end users entering data for 44 distinct projects, which include several non-HUD funded initiatives serving the community. Additionally, ICA delivers customized assessments and reports tailored to the needs of non-HUD funded projects. It is anticipated that the CoC will add 10 to 20 end users in the coming year.

With the recent expansion of HMIS funding, ICA will enhance its presence in the community by offering more in-person training and TA sessions. This will allow increased support to agencies to examine their data collection and entry processes, thereby improving data quality and reducing the time burden on HMIS end users through the development of more efficient data entry and review practices.

ICA takes an active role in the CoC by assessing performance through data. ICA provides guidance at all levels to scrutinize data sets and performance measures, facilitating data-driven decisions that enhance the effectiveness of the homeless services delivery system.

Technical Assistance Assessments are conducted with all partner agencies to ensure compliance with HMIS policies, address data quality issues, offer hands-on technical assistance and training, and discuss ongoing needs related to data collection, entry, and reporting.

Beyond focusing on data completeness and accuracy, the HMIS Project works on HUD’s System Performance Measures (SPM) reports, providing agencies with insights that enable them to track progress toward their annual CoC goals, including system performance measures. These reports are shared through Local Performance Dashboards and during CoC committee meetings. ICA enriches these reports with additional data that helps the CoC identify high-performing projects. ICA is responsible for completing the annual Homelessness Data Exchange (HDX 2.0) data entry for the SPM reports once they receive approval from the CoC.

ICA's ongoing data quality reviews with agencies also influence the Longitudinal System Analysis (LSA) data submission. Quarterly data quality reports are generated and reviewed with agencies to identify any necessary corrections. ICA collaborates with each agency to ensure high levels of data quality and oversees the LSA data quality review process in HDX 2.0 to complete the LSA submission.

The HMIS Project conducts the annual sheltered Point-in-Time (PIT) count. HMIS-enrolled agencies submit PIT reports through the HMIS, which ICA reviews and confirms accuracy with agencies. Agencies that are not enrolled in HMIS complete a survey tool and submit it to ICA. ICA reviews these surveys and contacts agencies for validation if any discrepancies arise. Subsequently, ICA aggregates sheltered PIT data for all projects within the CoC. Additionally,

ICA collects data for the Annual Housing Inventory Count (HIC) and completes the HDX 2.0 data entry for both the sheltered PIT and the HIC after receiving CoC approval.

## 4A. HMIS Standards

1. Is the HMIS currently programmed to collect all Universal Data Elements (UDEs) as set forth in the FY 2024 HMIS Data Standard Manual? Yes
2. Does HMIS produce all HUD-required reports and provide data needed for HUD reporting? (i.e., Annual Performance Report (APR)/CoC reporting, Consolidated Annual Performance and Evaluation Report (CAPER)/ESG reporting, Longitudinal System Analysis (LSA)/Annual Homeless Assessment Report (AHAR), System Performance Measures (SPM), and Data Quality Table, etc.). Yes
3. Is your HMIS capable of generating all reports required by all Federal partners including HUD, VA, and HHS? Yes
4. Does HMIS provide the CoC with an unduplicated count of program participants receiving services in the CoC? Yes
5. Describe your organizations process and stakeholder involvement for updating your HMIS Governance Charters and HMIS Policies and Procedures.

As detailed in the Springfield CoC Governance Charter, the CoC is required to conduct an annual review of the Governance Charter during the month of March. Members of the CoC, including the CoC Executive Board, Collaborative Applicant, Lead Agency, and HMIS Lead, are encouraged to provide suggestions for updates. The Lead Agency is responsible for reviewing HUD rules, regulations, and guidance, and for proposing necessary updates to the Governance Charter as mandated by HUD. In its role as the HMIS Lead Agency, ICA plays an active part in this review process. Amendments to the Governance Charter necessitate two Executive Board meetings: the first to discuss the proposed changes and the second to hold a vote. A simple majority from the CoC Executive Board is required to approve any updates. The final modifications must then be presented for approval by the CoC membership.

The HMIS Policies and Procedures Manual functions as a manual for a multi-jurisdictional HMIS implementation. Four out of the six CoCs sharing the HMIS Implementation operate under a common set of HMIS Policies and Procedures. This manual is reviewed annually with each CoC to ensure compliance. ICA is a vital participant in this review process, ensuring adherence to current HUD HMIS regulations. Each CoC is invited to propose suggestions for updates or changes, in addition to any modifications mandated by HUD HMIS regulations. All proposed changes are subsequently submitted to each CoC's Board for final approval.

As the HMIS Lead, ICA is responsible for ensuring that all HMIS-enrolled agencies are informed of the policies and procedures outlined in the manual. To facilitate this, ICA conducts webinars for all HMIS-enrolled agencies to review the changes made to the manual. Furthermore, the manual is discussed with each agency and their HMIS end users during the HMIS monitoring sessions.

**6. Who is responsible for insuring the HMIS implementation meets all privacy and security standards as required by HUD and other federal partners?**

Ultimately, the Continuum of Care (CoC) is responsible for ensuring and monitoring compliance with the HUD Homeless Management Information System (HMIS) Standards. As the HMIS Lead, the Institute for Community Alliances (ICA) is directly accountable for ensuring that the HMIS software adheres to all privacy and security standards. ICA provides ongoing oversight of the software's functionality to confirm that all security regulations set forth by HUD and federal partners are being satisfied. Should any deviations or inquiries arise, they will be promptly addressed with the vendor for resolution.

In addition to ensuring the vendor is safeguarding the HMIS software itself, ICA collaborates with the CoC to ensure that appropriate HMIS policies are established to protect the privacy and security of client data. ICA conducts mandatory annual training for all HMIS-enrolled agencies and end users on HMIS Privacy and Security Standards, which is required for maintaining system access. Users who do not complete the training will have their access to the system suspended until they fulfill the annual training requirement. Lastly, ICA monitors HMIS-enrolled agencies to ensure compliance with all privacy and security standards and policies. In the event of any findings, the agency will receive technical assistance to address and resolve such issues.

**7. Does the HMIS Lead conduct Privacy and Security Training and follow up on privacy and security standards on a regular basis?** Yes

**8. What is the CoC's policy and procedures for managing a breach of Personally Identifiable Information (PII) in HMIS?**

In the event of a known or suspected breach of system security or client confidentiality, HMIS-enrolled agencies are required to notify the HMIS Helpdesk (ICA) within 24 hours of becoming aware of such a breach. Depending on the severity of the breach, an agency may have its access to HMIS partially (end user specific) or fully suspended immediately while ICA investigates the situation. Any agency that fails to notify the Helpdesk, whether by email or phone, or is found to have experienced breaches of system security or client confidentiality, will be placed on a probationary period. During this period, the agency will receive guidance regarding the specific actions that led to the breach. If access is suspended, it will be reinstated, and technical assistance will be provided to help the agency prevent future breaches. The probationary status will remain in effect until the HMIS Lead has assessed the agency's security and confidentiality measures and determined that they comply with the policies outlined in all HMIS agreements and the HMIS Policy and Procedure Manual. Subsequent violations of system security may result in partial (end user specific) or full removal of the agency from the system. The Continuum of Care (CoC) will be kept informed throughout this process, and if full agency removal is recommended, this recommendation will be submitted to the Board for approval.

## 6A. Funding Request

### VAWA Budget

In FY2024, the Violence Against Women Act (VAWA) has clarified the use of CoC Program funds for VAWA eligible cost categories. These VAWA cost categories can be added to a new project application to create a CoC VAWA Budget Line Item (BLI) in e-snaps and eLOCCS. The BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:

- A. VAWA Emergency Transfer Facilitation. Examples of eligible costs include the costs of assessing, coordinating, approving, denying, and implementing a survivor's emergency transfer(s). Additional details of eligible costs include:
- Moving Costs. Assistance with reasonable moving costs to move survivors for an emergency transfer(s).
  - Travel Costs. Assistance with reasonable travel costs for survivors and their families to travel for an emergency transfer(s). This may include travel costs to locations outside of your CoC's geography.
  - Security Deposits. Grant funds can be used to pay for security deposits of the safe unit the survivor is transferring to via an emergency transfer(s).
  - Utilities. Grant funds can be used to pay for costs of establishing utility assistance in the safe unit the survivor is transferring to.
  - Housing Fees. Grant funds can be used to pay fees associated with getting survivors into a safe unit via emergency transfer(s), including but not limited to application fees, broker fees, holding fees, trash fees, pet fees where the person believes they need their pet to be safe, etc.
  - Case Management. Grant funds can be used to pay staff time necessary to assess, coordinate, and implement emergency transfer(s).
  - Housing Navigation. Grant funds can be used to pay staff time necessary to identify safe units and facilitate moves into housing for survivors through emergency transfer(s).
  - Technology to make an available unit safe. Grant funds can be used to pay for technology that the individual believes is needed to make the unit safe, including but not limited to doorbell cameras, security systems, phone, and internet service when necessary to support security systems for the unit, etc.
- B. VAWA Confidentiality Requirements. Examples of eligible costs for ensuring compliance with VAWA confidentiality requirements include:
- Monitoring and evaluating compliance.
  - Developing and implementing strategies for corrective actions and remedies to ensure compliance.
  - Program evaluation of confidentiality policies, practices, and procedures.
  - Training on compliance with VAWA confidentiality requirements.
  - Reporting to CoC Collaborative Applicant, HUD, and other interested parties on compliance with VAWA confidentiality requirements.
  - Costs for establishing methodology to protect survivor information.
  - Staff time associated with maintaining adherence to VAWA confidentiality requirements.

Enter the estimated amount(s) you are requesting for this project's Emergency Transfer Facilitation costs and VAWA Confidentiality Requirements costs for one or both of these eligible CoC VAWA cost categories. The CoC VAWA BLI Total amount can be expended for any eligible CoC VAWA cost identified above.

The BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. There are three CoC Program rural cost categories that can be requested for your CoC Rural Cost BLI.

- Short-term emergency lodging to include housing in motels or shelters, either by providing direct funding or through vouchers.
- Repairs to housing units in where individuals and families experiencing homelessness will be housed, including housing units.
- Staff Training to include professional development, skill development, and staff retention activities.

**6. Select the costs for which funding is requested:**

HMIS	<input checked="" type="checkbox"/>
VAWA	<input checked="" type="checkbox"/>
Rural	<input type="checkbox"/>

**The VAWA BLI is permanently checked. This allows any project to shift funds up to a 10% shift from another BLI if VAWA emergency transfer costs are needed.**

Dear Sir or Madam:

We're responding to your request dated July 07, 2021, about your tax-exempt status.

We issued you a determination letter in April 1991, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(3).

We also show you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax-deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading, we indicated whether you must file an annual information return. If you're required to file a return, you must file one of the following by the 15th day of the 5th month after the end of your annual accounting period.

- ▼ Form 990, Return of Organization Exempt From Income Tax
- ▼ Form 990-EZ, Short Form Return of Organization Exempt From Income Tax
- ▼ Form 990-N, Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required to File Form 990 or Form 990EZ
- ▼ Form 990-PF, Return of Private Foundation or Section 4947(a)(1) Trust Treated as Private Foundation

According to IRC Section 6033(j), if you don't file a required annual information return or notice for 3 consecutive years, we'll revoke your tax-exempt status on the due date of the 3rd required return or notice.

You can get IRS forms or publications you need from our website at [www.irs.gov/forms-pubs](http://www.irs.gov/forms-pubs) or by calling 800-TAX-FORM (800-829-3676).

If you have questions, call 877-829-5500 between 8 a.m. and 5 p.m., local time, Monday through Friday (Alaska and Hawaii follow Pacific time).

Thank you for your cooperation.

Sincerely,
